# ABOUT US

Rent-to-Rent is a car rental business that was created in Sicily, Italy. It is not only focused on sport but is also highly dedicated to tourism; having expanding its fleet over the years by buying vans, cars and electric scooters, road vehicles suitable for tourist's needs.

Rent-to-Rent car rental is committed to offering the best solution for every need with timely, reliable and absolute professionalism and, to facilitate the customer in their stay, offering home delivery service.

This dedication has been able to win the trust and appreciation of an increasingly large and demanding clientele ready to discover the landscapes of our Sicily.
