All Things Organised

Ezy Storage, the flagship brand of FBA International, is a wholly owned Australian company and global supplier of high quality, value for money consumer goods.

First established in 1990 from humble beginnings, the Ezy Storage product range has grown to include everything from caddies for delicate baked goods through to heavy duty storage tubs, ideal for garage or worksite storage. Every product is made from the highest food-grade, lead and BPA free raw materials, which are recyclable and eco-friendly.

At FBA International, we promote a passionate, supportive and innovative culture and do not compromise on the following values; • Quality • Integrity • Loyalty

Our vision is to organise everyday life by creating and delivering innovative storage and plastic household products at an affordable price.

"This isn't just a sales pitch, it is something we live and die by!"

Our team of motivated designers, engineers and buyers are dedicated to delivering innovative and high quality products to both our local and international partners.

Over the past 28 years FBA International and Ezy Storage have grown to not only become the largest plastic housewares supplier across the Australian and New Zealand market, but also globally with offices, manufacturing and warehousing facilities in the USA, UK, NZ, Australia and China.

Contemporary and efficient

Lisse

[lis] French • adjective - meaning smooth

Lisse Modular Storage Organisers can help organise so many spaces in the home.

Choose from a range of sizes, with or without lids, to create the perfect solution for sorting supplies on a desk, organising the kitchen area, or keeping things neat in a craft room or pantry. When paired with lids, boxes stack securely to maximize space.

Use them without lids as convenient storage organisers. With clean lines and a modern look, these pieces look great displayed in any home decor.
